

Restaurant

Unfortunately we had to say goodbye to our catering operator, which means that our restaurant is closed. Luckily there are plenty of delicious alternatives.

Our highlights are

[Sukade Meppel](#): A cozy restaurant where you can taste the flavors of the world.

[De Lindehof](#): A unique experience with two Michelin stars in a beautiful thatched farmhouse that exudes character and elegance.

[Aroi](#): A small Thai restaurant in the center of Steenwijk.

[Grachthof](#): A restaurant where you can eat delicious food in the center of Giethoorn.

[Fratelli](#): An Italian restaurant in the center of Giethoorn.

Of course there are many more options in the area. You can find a complete overview at [Thuisbezorgd.nl](#).
